

HTE 4 (STE)

HOT AIR HAND DRYERS

PRODUCT-NO.: 222321

Dry your hands comfortably and economically. Don't put up with noise. Since hygiene plays an important role in sanitary facilities, we have also equipped this hand dryer with an infrared sensor. This switches the appliance on without the need to touch it. Users simply have to hold their hands directly below the air outlet. This also makes operation extremely economical.

The main features

Maintenance-free, reliable operation

Low operating costs

Very hygienic due to contactless operation

Especially quiet

Vandal-proof thanks to impact-resistant metal casing

Low operating costs

Maintenance-free, reliable operation

Type	HTE 4 (STE)
Part no.	222321
