COMFORT INSTANTANEOUS WATER HEATERS

PRODUCT-NO.: 202656

Use water your way

Every one of our fully electronic instantaneous water heater models provides hot water at the exact temperature you have set at all times. No ifs or buts. The 4i technology ensures that nothing interferes with the outlet temperature. Enjoy constant hot water in the shower, even if somebody needs to wash their hands at the washbasin beside you.

Make all your own choices

The haptic rotary selector ensures the appliance is very easy to operate: intuitive, instant, precise.

Know exactly what's going on

The illuminated multifunction display gives you a clear overview of your required water temperature, the ECO level and current power consumption. You can check energy consumption, flow rate, time, status and service information in the lower part of the display.
