

RAIN PLUS (STE)

DOMESTIC USE

PRODUCT-NO.: 235063

The elegant design for kitchen countertop installation enhances any kitchen interior and features:

- 6-in-2 ultrafiltration system for 100 % removal of bacteria with no water wastage or storage tank
- A smart filter lifetime indicator
- No electricity needed for operation

The main features

6 stages in 2 compact encapsulated filters

Ultrafiltration technology for 100 % removal of bacteria with no water wastage

Filter replacement timer and alert

Antibacterial silver ions provide double protection of the water filter

Large carbon layers for great tasting filtered water

Coral sandstone provides a natural source of calcium in filtered water

No electricity or storage tank required

Easy filter replacement, no tools needed

Type	RAIN PLUS (STE)
Part no.	235063

Technical data

Height	320 mm
Width	120 mm
Depth	216 mm
Weight	2.3 kg
Filtration stages	6 Stage
Filter stage 1	Granulated activated carbon
Filter stage 2	Coral sand
Filter stage 3	Sediment - 10 #m
Filter stage 4	Bamboo activated carbon mixing block - 1 #m
Filter stage 5	Granulated activated carbon with silver impregnation
Filter stage 6	Ultra filtration (hollow fibre) - 0.1-0.01 #m
Nominal flow rate	2 l/min
Max. operating pressure	4 bar

Temperature range	4 - 35 °C
Min. operating pressure	1 bar
Max. flow rate	2 l/min
Maximum water pressure	4 bar
Draw-off option	Pipe switch
Colour	silver
Installation type	Oversink

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
