

## Exchange filter 2 in 1 (STE)

REPLACEMENT CARTRIDGES / ACCESSORIES

PRODUCT-NO.: 222325

2-in-1 filter cartridge used with Rain and Rain Plus drinking water filters.

2 stages of filter media are combined in one single filter cartridge. This ensures exceptionally clean and safe filtration performance. An ultrafiltration hollow fibre membrane with a pore size down to 0.01 microns provides bacteria-free drinking water instantly, with no electricity required. Antibacterial granular activated carbon. Improves the taste of the water by reducing chlorine, VOCs and TTHMs. Silver ions added to the carbon prevent the growth of filtered bacteria inside the filter.

### The main features

2 stages in 1 cartridge for easier filter replacement

---

An ultrafiltration hollow fibre membrane with a pore size down to 0.01 microns provides bacteria-free drinking water instantly, with no electricity required

---

Antibacterial silver ions provide double protection of the water filter

---

Large carbon layers for great tasting filtered water

---

Hygienic encapsulated cartridge

---

Easy filter replacement, no tools needed

Type	Exchange filter 2 in 1 (STE)
Part no.	222325

## Technical data

Filtration stages	2 Stage
Filter stage 1	Granulated activated carbon with silver impregnation
Filter stage 2	Ultra filtration (hollow fibre) - 0.1-0.01 $\mu$ m

## **Contact information**

**You have questions? We appreciate to help you:**

**Call 02-021-9300**

**Write an email to [th-info@stiebel-eltron.com](mailto:th-info@stiebel-eltron.com)**

## **Installation information**

**Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.**
