

VITA STRAWBERRY (STE)

SHOWER FILTER

PRODUCT-NO.: 203730

The main features

Pure Vitamin C (ascorbic acid) as an ingredient reduces residual chlorine and rust in tap water

Relieves skin irritation and other allergies

Improves the condition of the skin and hair

Good for lung and respiratory health as it reduces chlorine inhalation in the shower

Organic oil in the filter media improves the skin's moisture level during and after a shower

Saururus Chinensis extract has a natural antibacterial function that conditions the skin (except Vita Strawberry)

Choice of multiple fragrances to suit all tastes

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
